

Maldives One & Only Experience

/ One & Only Kanuhura

Kanuhura is an excellent resort in a stunning and undeveloped part of the Maldives. With its laid-back atmosphere and fantastic kid's club, it is perfect for families.

Located on the **Lhaviyani Atoll**, the One&Only Kanuhura is in a totally undeveloped part of the Maldives archipelago and is surrounded by hundreds of uninhabited islands and unexplored dive sites.

The island has 100 villas, located either on the white powder beach, or over the crystal clear turquoise waters of the Indian Ocean, and each villa has its own private verandah overlooking the sea. Dining options are varied and range from the international, Mediterranean and Asian fusion restaurants on Kanuhura, to lunch at Cove's, which offers desert island fine dining on a neighbouring private island.

Tables can also be arranged for a private meal outside your villa or even on a deserted sand bank. The resort offers a range of facilities including a superb pool, wonderful spa, full water sports centre and PADI dive centre, two tennis courts and a squash court. Excursions such as sunset cruises and atoll tours can also be arranged.

To entertain your children, there is a fully equipped kid's club, which is open from 0900hrs to 2200hrs daily and is free of charge for children aged 4-11 years old. For the older children, Club One caters for 12-17 year olds and organises a variety of activities, sports and excursions.

/ One & Only Maldives At Reethi Rah Island

The One&Only Reethi Rah is a chic and sophisticated island paradise, accessible by a short luxury yacht ride from Male.

The resort of One&Only Reethi Rah is 50 minutes by luxury yacht from the airport at Male. A stunning redevelopment of an existing resort, the oversized and luxurious beach and water villas are another winning combination from the owners of the well-established Maldivian resort of One&Only Kanuhura.

With over 6km of coastline, each beach villa is guaranteed privacy while maintaining glorious sea views. The water villas are built out on a series of eight jetties and have private decks overlooking the azure waters of the lagoon. In all, there are just 130 rooms.

The resort has excellent leisure facilities for everybody. The kid's club takes children from four years old (although younger children may attend if accompanied by a supervising adult, e.g. parent or babysitter). There is also a dedicated area for older children to mix and socialise. For adults, there is a fantastic spa set within in its own tranquil gardens. For the more active, there is a football pitch, two tennis courts, and a large freeform pool and a lap pool for serious swimmers. As with all our Maldivian resorts, there is a fully certified PADI dive school. Yoga, tai chi and pilates classes are offered, and there is a fully equipped gym with personal trainers.

Non-motorised water sports are complimentary with additional sports available at a cost and paid locally, e.g. snorkelling excursions, fishing, jet-skiing and parasailing.
