## / Conrad Maldives Rangali Island

A sophisticated and luxurious resort combining the best of beach and over-water accommodation, set over two islands connected by a 400m bridge.

The Conrad Maldives Rangali Island is unique amongst our Maldivian resorts in that there are two islands to choose from. **Rangalifinolhu** is where the all-new beach villas are based, and also the newly opened spa retreat, with stunning over-water villas with private spa rooms attached. Across a 400m causeway is **Rangali Island**, where you will find the water villas of varying indulgence.

All rooms are equipped with full entertainment systems, including satellite TV and DVDs. The Beach Villas have large outdoor garden bathrooms and as well as being larger, the Deluxe Beach Villas also have private plunge pools. The water villas come in a variety of guises with enhanced bathrooms and bedroom facilities.

There are a total of eight restaurants, including Ithaa, the world's first underwater restaurant, and three bars. However, as always in the Maldives, you can arrange private dining in your villa or on the beach.

There is a large pool with children's area and the obligatory water sports centre and dive school. They also operate a kids club (4-12yrs). Two spas are available, one on each island.
