/ Las Ventanas Al Paraíso, a Rosewood Resort

'**A window onto paradise**'. Not an exaggeration at this Rosewood Resort where unashamed luxury and exemplary service are assured. This sophisticated hideaway is set on the beach overlooking the sapphire **Sea of Cortez**; whitewashed adobe walls are surrounded by pristine gardens interspersed by glimpses of the meandering infinity pool. Vibrant Mexican artwork abounds: primitive paintings, precious artefacts and intricately carved furnishings are scattered throughout the resort.

All 71 suites at Las Ventanas are lavishly appointed, exceptionally spacious and evocative of the rich architectural heritage of Mexico. They feature exquisite accents hand-crafted by Mexican artisans, raised platform beds, oversized Jacuzzi bathtubs, walk-in marble showers, authentic wood-burning adobe fireplaces, personal telescopes for exploring the horizon and whale watching and large private terraces for relaxing and private dining.

The private rooftop ambiance combined with a location closest to the sea make the **Oceanfront Rooftop Terrace** Junior Suites the ultimate junior suites available. The unparalleled views are complemented by serenity, privacy and a Jacuzzi. Beside the main pool, butlers provide personal CD players, chilled towels, Evian sprays and sunglass cleaning.

Similar pampering occurs at the tennis courts where your own ball boy is provided.

There is a Spa and Health centre where the extensive range of services are inspired by restorative treatments, holistic therapies, healing rituals, organic products and native remedies found in Baja, Mexico, and around the world.

The more active will enjoy the water sports from the beach, including snorkelling, scuba diving, kayaking and yachting. Whale watching tours and horse riding can also be arranged.
